

BREATHE IN! BREATHE OUT! GET READY FOR THE NEW WII FIT™ TREND

Nintendo© is going to launch a new concept for its so successful video game console Wii™ in April 2008. Wii Fit™ is the game to keep in shape while having fun! Your gym will now be in your living room. The game Wii Fit™ will only be played with the balance board.

Subsonic is one of the very first brands to propose a dedicated accessory line in order to fully take advantage of the emerging new way to have fun with a video game console.

Take care of your body, Subsonic takes care of your Wii Balance board™

First step

WII™ SILICON FIT - IN STORES END APRIL 2008

A must have for Yoga and fitness.

2 in 1! This **silicon Fit** dust cover has been created to protect the balance board and improves the game play comfort. The silicon dust cover protects your balance board against dust, shocks and is scratch-resistant! It will make your workout even more pleasant for sure!

- Highly quality Silicon dust cover
- Available in white or blue

Second step

WII™ FITKIT - IN STORES MID MAY 2008

It's time to relax!

As a unique bonus, this kit comes with a rechargeable battery: more economic and more ecological. Take care of your balance board by using two anti-slip pads, spray and dust cleaner in microfiber for special electronic materials! You have no excuse for not working out.

Pack content:

- Rechargeable battery
- 2 anti-slip pad
- Dust cleaner in microfiber
- Spray cleaner

Third Step

WII™ FITBAG - IN STORES END APRIL 2008

A must have for trendy "Wiifiters".

Ready for a shower? Then put in order all your Wii™ accessories (game, Wii™ Fitkit, ...) and your balance board in your super fashion **Fitbag**! The **Fitbag** protects your balance board and your accessories against dust, shocks and, is scratch-resistant.

Fitbag details:

- Stylish Blue & white color combo
- 2 pockets to put in order all Wii™ accessories
- 100% custom-built

Balance board bag
